Range Updates

We are now on summer hours schedule for the 100 meter and 25 yd. ranges. Trap is back on Thursdays at 4:00 PM.

The CFO has issued an order that requires the 25 yd., the 100 meter and the archery range to be closed while the skeet range is in use. This will be from 2:00 PM until 4:30 PM on Sundays.

The 4th annual June Shoot is being held June 13th at the club.

There will be great competition and events for all ages with raffles, prizes, industry reps and The Wild Boar food truck on site.

Sign up before 9 AM on the 13th at the club or at Shooters Choice.

All classes of archery, including cross bows.

Infractions

There have been a few infractions reported. **ALL** members and especially the RSO's need to ensure the ranges are used in a safe manner. This is vital for the safety and enjoyment of our members!

Trap and Skeet:

Trap rates have increased. The new rates are \$7.00 for adults, and \$4.00 for youth.

Archery:

The RANGE OPEN sign at the 25Yd./100 Meter gate does not have to indicate that the range is OPEN when shooting archery.

The archery range is getting limited use due to the weather.

A REMINDER – **NO BROADHEADS!!!!** Unless you bring your own targets

EVENTS:

Monthly Meat Shoot:

The meat shoots are finished until the fall. Stay tuned for the fall schedule.
